

*Let your
Light
Shine!*

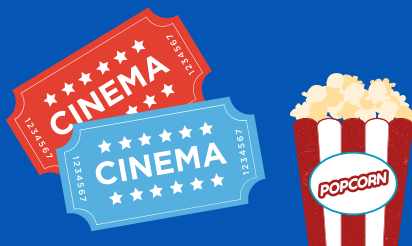

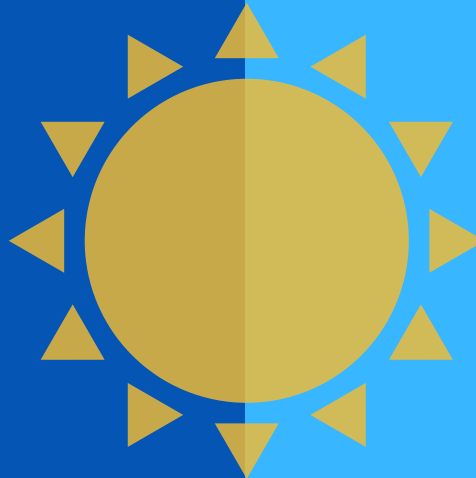

Discovery on Adventure Island invites children to arise and shine because the light of God's love has come and is shining on them.

The children will be empowered by exploring ways God shines great light in the world and by learning how they can also shine God's light by reflecting what they've learned.

Through stories in the Old and New Testaments, this program will show students how connection with God brings the invitation to shine God's light in a world that needs it now more than ever.
